- E. SESSION SUMMARY

There is a garage looking storage chamber for warehousing drugs for transit. This structure has an auto or auto mechanical facade and a light colored mercedes parks on the outside. The garage looking structure has tools related to auto mechanical activities hung on pegs on the inside walls. It is medium sized with two openings on one side wherein cars or small planes can enter. The auto mechanical structure may be a hangar or auto buisness and is a front for drug related activities. Few people at any one given time come in and out of this structure who work for [REDACTED]

SG1A [REDACTED] This place may be a base of operations. A drug smuggling activity is to occur on the 22nd of November.

SG1A
